

## **Part-I**

	0.0-2.9	3.0-3.9	4.0-4.9	5.0-5.9	6.0-6.9	7.0-8.4	8.5-10.0	Mark & Advice for Improvement
<b>Use case diagram (10%)</b>	Little or no diagram provided or diagram is mostly wrong (overall less than 30% complete).	Partial diagram provided but actors and/or use-cases/relationships are only partially correct (overall less than 40% complete).	Partial diagram provided, actors and/or use-cases/relationships are correct (overall less than 50% complete).	Almost complete diagram provided, actors and/or use-cases/relationships are only partially correct (overall less than 60% complete).	Almost complete diagram provided, actors and/or use-cases/relationships are correct. (overall, less than 70% complete)	Complete diagram provided, actors and/or use-cases/relationships are partially correct (overall less than 85% complete)	Complete diagram provided, actors and/or use-cases/relationships are correct (100% complete)	
<b>Class diagram (10%)</b>	Little or no diagram provided or diagram is mostly wrong (overall less	Partial diagram provided but Class naming convention, Class relationships, Attributes/methods of the classes and their visibility and type are	Partial diagram provided but Class naming convention, Class relationships, Attributes/methods of the classes and their visibility and type are	Almost complete diagram provided, Class naming convention, Class relationships, Attributes/methods of the classes and	Almost complete diagram provided, Class naming convention, Class relationships, Attributes/methods of the classes and	Complete diagram provided, Class naming convention, Class relationships, Attributes/methods of the classes and their visibility	Complete diagram provided, Class naming convention, Class relationships, Attributes/methods of the classes and their visibility	

	than 30% complete).	only partially correct (overall, less than 40% complete).	correct (overall, less than 50% complete).	their visibility and type are only partially correct (overall less than 60% complete).	their visibility and type are correct (overall less than 70% complete).	and type are partially correct (overall less than 85% complete)	and type are correct (100% complete)	
<b>Sequence diagram (at least three diagrams) (10%)</b>	Little or no diagram provided or diagrams are mostly wrong (overall less than 30% complete).	Partial diagram provided but Lifeline Notation, Activation Bars, and Message Arrows are only partially correct (overall less than 40% complete).	Partial diagram provided, Lifeline Notation, Activation Bars, and Message Arrows are correct (overall less than 50% complete).	Almost complete diagram provided but Lifeline Notation, Activation Bars, and Message Arrows are only partially correct (overall less than 60% complete).	Almost complete diagram provided, Lifeline Notation, Activation Bars, and Message Arrows are correct (overall less than 70% complete).	Complete diagram provided but Lifeline Notation, Activation Bars, and Message Arrows are only partially correct (overall less than 85% complete).	Complete diagram provided, Lifeline Notation, Activation Bars, and Message Arrows are correct (100% complete).	
<b>Individual Q&amp;A (10%)</b>	Absent Inadequate (barely able to explain the analysis/design and/or work done) Good (good explanation of analysis/design and/or work done) Very Good (very good explanation of analysis/design and/or work done) Excellent (excellent explanation of analysis/design and/or work done)					0.0 0.0-3.0 3.1-6.0 6.1-8.0 8.1-10.0
